4 (b) and (d).

[¶](#)1. (C) A European Commission official said the EC supports the bids of Canada and Yemen for Permanent Observer status in the International Contact Group on Somalia, though it would like Canada to clarify its potential financial contributions to AMISOM and the reconstruction of Somalia. Jeremy Lester, Head of Unit for East Africa and the Horn of Africa, told Poloff that Commission officials believe both Canada and Yemen are "useful" countries to have on the Contact Group. The Commission will support their inclusion at the planned September meeting in Rome.

Lester said the Commission will encourage the Contact Group to focus on being operational and not just an international assembly for lengthy discussions.
